Sierra Family Game Night

FUNDRAISER*

Thursday, November 6th 6:30-8:00 p.m.

- Play some of the best fun (and educational) board and card games around, with your family and friends
- There's something for everyone-levels vary from preschool age and extend to fun for the entire family
- Play our games (including such favorites as SET, Quiddler and , Gobblet, Blokus) and *many new games*
 - Purchase games for your family- see the attached flyer

If you are not able to attend, but would like to order games, feel free to complete the order form and return it to school with your child by Monday, November 16th. All checks should be made payable to: **Sierra PTO and should include 7.8% tax.**

It takes approximately 2-4 weeks to receive your order. (If you would like to place orders that will be holiday gifts, please indicate that on the order form, so we will not distribute the toys to your children when they arrive. You will be called upon their arrival. If you do not want to send the order in with your child, drop it in the office for Mrs. Hope Massar). ***This year your students have the opportunity to have family & friends place orders on-line and Sierra will get the credit. See back for details.***

*This event is being sponsored by the Sierra Student Council. Proceeds will benefit the projects that the student council is working towards this year to improve our school. Thank you for your support.

Order games from now thru Nov. 16th

Options for ordering:

Order at Sierra:

- Fill out your order form and send it and a check, made payable to Sierra PTO, to school with your child.
- Or bring your order and check to the office marked "Attention: Mrs. Hope Massar".

- If your order includes Holiday Gifts, please indicate that on the order form - We will call you to pick up your order rather than distribute your order to your child.

- If you want your games distributed through Sierra School, you will not pay shipping - just check the box that says "Pick up games - no shipping".
- Friends and family may also order on-line and pay to have their games shipped anywhere in the country!
